The Port Chester Middle School Band featured today, under the direction of Ken Kraut, is the 7th & 8th grade component of a 5th through 8th grade instrumental music program which involves over 300 students. The middle school also has separate 5th and 6th grade bands, led by George Viglucci. Each band has their own Color Guard.

Students at the middle school have the opportunity to participate in grade-level marching and concert bands, woodwind, brass and percussion ensembles, two Jazz Bands, and a Select Concert Band. The latter two groups have earned numerous "Excellent" and "Superior" ratings in competitions over the last ten years, and have received "Gold" and "Gold with Distinction" ratings on levels three and four at the New York State School Music Association Evaluation Festival. In addition, each year over 120 students perform solos, and in ensembles at the NYSSMA Evaluation Festival, and many students participate in the Westchester All-County Bands and Orchestras.

The Middle School Band would like to extend its special thanks to Bill Losier for his assistance with the marching band.
