PCHS Band update

Recommend

0

Recommend this on Google

The PCHS Band Parents Association would like to thank all the generous families that donated to the band during the band booster drive this past Sunday. The Band Parents Association is responsible for buying and maintaining the band trucks, including gas and insurance, paying for instructors, maintaining much of the equipment and uniforms and many other aspects of the marching band. Your support helps make this possible. The band started their season placing 1st in their category at their first competition at Brien McMahon High School in Norwalk last Saturday night. Hopefully they will continue to excel this season!

Don't forget we will be at the high school every first and third Sunday for the bottle/ can collection. We collect returnable water, soda and beer cans and bottles for deposit. Thank you so much to all the families that are such constant supporters of this program. If you are looking for us, we are moving around the corner to the gym side of the high school on College Avenue.

The band will be performing at the half time of the PCHS varsity football game on Saturday, Sept 24. Come and enjoy a day of football and music!

Anne Verrastro
 Port Chester

Mrs. Verrastro is secretary of the PCHS Band Parents Association.
