2023-2024 Street Beat

November 21, 2023

Dear Business Owner,

The Port Chester High School Marching Band, the "Pride of Port Chester" is kicking off our annual Street Beat fundraiser. Our 128 members devote many hours of their time training for competitions, local parades and appearances at our home football games

Would you like to support them by placing an ad in this year's 2023-2024 edition? The Street Beat is a long-standing annual tradition in Port Chester that showcases the love and support our community has for the *Pride of Port Chester*. It also captures the year's Band experiences and accomplishments, and is a significant fundraiser to help ensure the Band Program continues to be an extraordinary experience for years to come.

This benefits you because:

- You are supporting our kids, who represent the diversity of our community, in a program that teaches them more than just music but teamwork, honor, commitment, discipline and tradition.
- Our band families appreciate your support and in turn, will patronize your business to support you.

Fundraiser dollars are used to ....

- provide supplemental staff for specialized training in percussion, color guard and marching
- support competitions with miscellaneous equipment, transportation, food and drink
- to cover all of the costs associated with the equipment trucks

Enclosed is the ad journal contract & order form with additional information on *The Street Beat*, and advertising options.
